Hi I'm Chad Wellington and I'm looking for the one. I've been in a couple relationships, but they weren't right for me. I'm from Washington, D.C. I went to an all boys college, so this will be an exciting first with all these beautiful women.

HOST

Emily walks up to Chad.

EMILY
Hey I'm Em. I think you'll quickly realize how different I am from these other girls. I'm so excited to grow our connection.

The camera pans down to Emily's converse.

EMILY (CONT'D)
My normal day is football and sweats with the boys so wearing make-up and dressing up is really out of my comfort zone. I already know Im gonna get annoyed with all these girls and their gossip so this is definitely gonna be an interesting experience.

Uniqua gets out the care and walks to Chad.

UNIQUA
My name is Uniqua and everyone calls me Niq. I'm actually a little nervous by how handsome you look.

CONFESSIONAL

UNIQUA
Uhm where do I look? Ah this is all so new to me. Honestly, im so excited for this and strengthening my relationship with Chad. He should definiely know, I fall fast and love hard.

Zeta walks towards Chad.

ZETA

CONFESSIONAL

ZETA
He's literally a bit of me. I would definitely take him back home to South London in a heartbeat. He should know I'm big on family. I didn't expect him to look like this, he's definitely turned my head.

Wynona gets out the car and walks to Chad.

WYNONA
Hey I'm Wynona. And I guess what they say is true, opposites really do attract.

WYNONA (CONT'D)
(singing)
"You and me together, through the days and nights."

CONFESSIONAL

WYNONA
I can already hear our wedding bells. Like these other girl's didn't see the way he looked at me. We are honestly meant to be and nobody will get in my way. He should know I'm very strong when it comes to my men.

CONFESSIONAL

CHAD
Holy shit. I can already tell this is gonna be a wild ride.

HOST
And he couldn't have been more right. Make sure to stay tuned in for a glimpse of next weeks episode.

DRINKS

Emily talks with Chad in the corner.

EMILY
This has just been so hard for me. I can't realte to these other girls. They spend two hours on their makeup, keep starting drama, and act so crazy. Like I just wanna crack a beer with you and hang out.

CONFESSIONAL

ZETA
I'm about to pop off. This bird thinks she can talk behind our backs. That's literally a pie in the face. She's dead to me.

UNIQUA
I just don't understand why she has to act like this. I came here to find love, not cause problems.

DRINKS

Wynona walks up to Emily and Chad with drink in hand.

WYNONA
Who do you think you are? He only wants me babe, don't get it twisted.

CHAD
Wynona let's talk about this later.

Chad reached out to calm her down. Wynona recoils and angrily continues talking at Emily.

EMILY
Wynona, relax, you know Chad and I vibe.

Upclose of Chad's face as he rolls his eyes.

WYNONA
Get over yourself. You're such a pickme bitch!
